12.3.8 v. 4

## ASH GROVE CEMENT WEST, INC.

### Inter-Office Memorandum

Date May 4, 1987

To Jim Post, Erik Volbaek

From Ken Rone

Copies to \_\_\_\_\_

Subject Weekly Activity Report  
Week Ending - 5/3/87

1. Advised by Chicago Milwaukee Railroad Company that their interest in the railspur at the southeast corner was sold to U.P. As you recall U.P. says it belongs to Milwaukee. They are presently talking to each other.
- 4/21 2. Advised by Reicholdt Chemical that they have been notified by EPA that West Terminal site, previously owned by Reicholdt, may be of concern for contaminated soils. I referred them to Lonestar. 36
- 4/24 3. Met with noise expert at King County Health Department. He indicated our analysis at the Superior Quarry site was proper and he could see no reason to question the application due to noise.
4. In process of having Port easement appraised. 2a
- 4/28 5. Safety Committee walk thru of finish mill, safety committee meeting and safety movie shown to all employees.
- 4/24 6. Requested Ideal cement transfer begin on 4/28. Ideal withheld cement until 5/1. Requested 250 tons per day. Ideal has authorized 100 T/day.
7. Will meet with Department of Labor & Industries and MSHA on 5/4 to resolve jurisdictional question.
8. Smith Monroe & Gray engineers here to make field measurement on proposed cement unloading system.
9. Will order 2 - 3m tons of gypsum.
- 4/24 10. Mr. Gray from Lehigh here to discuss marketing agreement for sacked white cement. Referred him to Mr. Gould.
11. Welcomed Mr. Eastvold and Mr. Jacobson to the office.
12. No Accidents. Visitors: Mr. Gray & Mr. Post
